Hope the new year is treating you well.

Yes, RD is scheduling these meetings; they are quite helpful. As of mid-January, Mike Goodis is the Director of RD.

Hi Rick – I hope I find you well. It has certainly been a chaotic week since the swearing in! I have a client that needs a pre-registration meeting for a new active ingredient and they are trying to figure out when to come into OPP. Is RD still scheduling these types of meetings? I assume so, but wanted to check because of the press reports about some of the directives issued by the “beach head” team that arrived at EPA last week. Also, is Mike Goodis still the head of RD?

Best,

Tracy
